TopPerformer Roller 15-17.3

Spacious notebook trolley with a simplistic look

When travelling TopPerformer Roller safely protects your notebook as well as lets you comfortably transport your accessories, folders or documents and other personal belongings. The bag has a slim appearance but at the same time it has a lot of space in the large lockable main compartment. In the main compartment you also find the notebook compartment that is padded with high density foam and has a strap to keep the notebook in place. There is also a pocket that can be used for documents or accessories.

The bag has adjustable straps on both sides that can be closed with a buckle. When closed they allow you to easily access the notebook compartment from the top of the bag without opening the bag entirely. When you open the straps you can fully open the bag. In the front compartment your passport, mobile phone and business cards can be placed in the designated pockets. There is also room for accessories or power supply unit and cables. TopPerformer Roller has an integrated telescopic handle and easy rolling exchangeable wheels. For when you need to carry the bag there is also a comfortable carry handle.
